Introduction

I am actively seeking a full-time role that will engage my interpersonal, time management, and problem-solving skills. With two years of hands-on experience as a staff mechanic and a bachelor's degree in computer science, I am well-prepared to bring a unique blend of practical expertise and analytical thinking to my next professional endeavor. I am enthusiastic about the opportunity to contribute to an innovative organization and make a substantial impact in my chosen field.

Skills & Competencies

- Administration Skill (Ms.Office)
- Inventory and Assets Management
- Costumer Services Skill
- Sales Expertise
- Software Deployment Management
- IT Troubleshooting

Work & Experiences

Astra Otoparts Tbk. (**SHOP N DRIVE**) Jakarta, Indonesia

Staff Mechanic (May 2017 – May 2019)

- Created inviting environment for customers by maintaining store organization and cleanliness.
- Skilled at working independently and collaboratively in a team environment.
- Organized racks and shelves to maintain store visual appeal, engage customers, and promote specific merchandise.
